PROFESSIONAL SUMMARY

Motivated and aspiring Web Developer currently pursuing a Bachelor of Computer Applications (BCA) from IGNOU. I have hands-on knowledge of HTML, CSS, JavaScript, React.js, Git, and responsive web design, along with experience building small web projects. I enjoy creating clean, user-friendly interfaces and continuously improving my development skills. I am looking for an opportunity where I can apply my skills, learn from experienced professionals, and contribute to real-world projects.

EDUCATION

2023-2024

PROJECTS

PORTFOLIO

- Developed a responsive personal portfolio website to showcase my skills, projects, technical knowledge, and professional profile. Designed a clean and user-friendly interface using **HTML**, **CSS**, and **JavaScript**, with a focus on responsive layouts and modern web design principles.
- Technologies: **HTML5**, **CSS3**, **JavaScript**, **Git**, **GitHub Pages**
- Live Demo: ***https://sourav696m.github.io/Portfolio/***

TO-DO LIST APP

- Built a functional To-Do List web application with assistance from AI tools.
- Tested and modified the implementation to understand and improve the project.
- Created a clean and user-friendly interface.

TIC TAC TOE

- Independently developed a browser-based Tic Tac Toe game using **HTML**, **CSS**, and **JavaScript**.
- Implemented game logic, user interactions, and winning-condition checks.

CALCULATOR

- Developed a functional calculator using **HTML, CSS,** and **JavaScript**.
- Implemented arithmetic operations and interactive button functionality.
- Practiced JavaScript logic, DOM manipulation, and event handling.
